

11/18x

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF TEXAS  
DALLAS DIVISION

HENRY T. BRIDGES,

Plaintiff,

VS.

COMMISSIONER OF SOCIAL  
SECURITY ADMINISTRATION,

Defendant.

CIVIL ACTION NO.

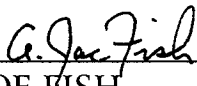

3:01-CV-0413-G

**ORDER**

Before the court are the findings, conclusions, and recommendation (“findings”) of the United States Magistrate Judge, filed July 7, 2003, and the defendant’s objection to the findings (“objection”), filed July 17, 2003. The defendant objects only to paragraph II(G) of the findings, in which the Magistrate Judge interpreted *Watson v. Barnhart*, 288 F.3d 212, 217-18 (5th Cir. 2002), to “require[] the Commissioner to find that a physically-impaired claimant can both obtain and maintain employment before finding the claimant not disabled at step five of the sequential five-step disability inquiry.” Objection at 1 (internal quotation marks omitted). The court agrees with the defendant’s objection and will not adopt

paragraph II(G) of the findings. There being no objection to the remainder of the findings, and the court being satisfied after a review of the record that the remainder of the findings are correct, it is **ORDERED** that the findings, except for paragraph II(G), are **ADOPTED** as the findings and conclusions of the court.

July 29, 2003.
